Day Excursions

2009

Other Special Events may be arranged during the year as details become available please enquire for details

We are pleased to introduce our day excursions for 2009 including lots of new destinations in addition to many old favourites, plus a selection of 'Special Events' featuring some of the most exciting sporting attractions and special shows. For the coming season we have added Shrewsbury, Hadnall, Wem and Whitchurch as pick-up points for many of our excursions. These excursions will be operated by separate coaches and we look forward to welcoming new clients from these areas. Most of our tours will be operated by our Executive Coaches so you can sit back in comfort and enjoy the view en route to your chosen destination.

Many clubs and associations find that they do not have enough members to make the hire of a coach for a day excursion a viable proposition so why not consider making a group booking on one of the day excursions featured in this brochure? We can normally arrange a pick-up point convenient for your party and often offer a group discount. For more details phone our Oswestry office on 01691 652126 and speak to our Group Travel Manager.
